MEMORANDUM FOR THE ASSISTANT DIRECTOR, ORE

SUBJECT: Weekly Working Paper, ORE Latin American Branch

1. It is believed that the weekly working paper of the Latin American Branch of ORE, of which two copies are now regularly received in OSO, would be of great value to our field stations. Accordingly, it would be appreciated if nineteen additional copies may be made available for transmittal to our representatives each week.

2. The fact that the working paper is an unofficial document subject to final revision will be made clear in our forwarding letter.
